INDEX

Absorption of urinary chlorides following ureterosigmoidostomy, 25
Acidosis due to absorption of urinary chlorides following ureterosigmoidostomy, 25
Adrenal, adrenalectomy for adrenal tumors, 105
adrenalectomy for Cushing's syndrome, 85, 116
adrenalectomy for hypertension, 85
adrenalectomy for prostatic cancer, 57, 65, 85, 101
adrenalectomy, pre- and postoperative care, 81
tumors, adrenalectomy for, 105
Amelar, R. D., see R. S. Hotchkiss, jt. auth.
Angiograms, 129
Arteriography, 139

Baker, W. J. Bilateral adrenalectomy for carcinoma of prostate, 57
closing discussion, 64, 127
Berry, W. H., see J. A. Taylor, jt. auth.
Bladder, cystograms made with Umbrathor to determine size of tumors, 157
incontinence, congenital, operation for, 199
intravesical segmental resection for tumors, 161
neurogenic, sacral neurotomy for, 40
subtotal cystectomy for tuberculosis, 211
tuberculosis treated by subtotal cystectomy, 211
tumors, evaluation of size, 157
tumors, intravesical segmental resection for, 161
tumors, leiomyosarcoma, 5
tumors, papillary, conservative surgery, 34
tumors, radical operation, 165
tumors, transurethral resection, 165
vesico-urethropexy, 199
Braasch, W. F., discussion of pyelogram symposium, 44
Brunkow, C. D. Evaluation of size of bladder neoplasms, 157
Burns, Edgar, discussion of Hamm and Harlin paper, 155
symposium on pyelograms, 44

Cahill, G. F. Adrenalectomy for adrenal tumors, 105
closing discussion, 128
Cecil, A. B., discussion of Baker paper, 64
Leiomyosarcoma of urinary bladder, report of case, 5
Creevy, C. D., closing discussion, 33
discussion of Nesbit and Nesbitt paper, 151, 152
Some observations upon absorption after ureterosigmoidostomy, 25
Cushing's syndrome, adrenalectomy for, 85, 116

Davis, D. M., discussion of Taylor and Berry paper, 203
Davis, Edwin, discussion of Higbee paper, 39
Dean, A. L., discussion of Livermore paper, 23
discussion of Smith paper, 149
Surgical treatment of tumors of genito-urinary organs, 165
Dodson, A. I., symposium on pyelograms, 44

Engel, W. J., symposium on pyelograms, 44

Ganem, E. J., see W. F. Leadbetter, jt. auth.
Gibson, T. E. Carcinoma of bladder: A new surgical approach in selected cases, 161
Glanton, J. B., see L. M. Orr, jt. auth.

Hager, B. H., discussion of Cecil paper, 9
Hamm, F. C. and Harlin, H. C. Perirenal insufflation with arteriography, 139
Harlin, H. C., see F. C. Hamm, jt. auth.
Harrison, J. H., closing discussion, 127
Thorn, G. W. and Jenkins, Dalton. Further observations on total adrenalectomy in man, 85
Higbee, D. R. Conservative surgery in treatment of large single papillary tumors of bladder, 34
Higgins, C. C., discussion of Creevy's urograms, 152
see E. F. Poutasse, jt. auth.
Hotchkiss, R. S. and Amelar, R. D. Primary carcinoma of male urethra, 177
